

Hi Jimmy -  
Here's that Mose Allison / Clark tune,  
from the type deck. Hope you like it.  
If it's acceptable, then let's talk about  
re-mastering the compilation. RECORDING IN ALL ITS  
GLORY!

Hi Jimmy -  
I'm sending you  
separate tracks on  
disc (listening  
data CD). I will email  
you the count-in stuff  
isn't it?

IF YOU COULD HAVE YOUR  
MASTER GUY BRIGHTEN  
IT UP A BIT OF HIGH  
END AND GIVE IT A TOUCH  
OF COMPRESSION, IT SHOULD  
TURN OUT ALRIGHT!

CHEERS!

THE DATA CD IS FOR WHOEVER COMPS  
THE ALBUM / MASTERS  
LETTER GUY THEN THE  
ALBUM BECAUSE I CAN'T  
REMEMBER  
WHEN ANY TRACK WENT  
48 OR 24 HZ SO ONE OF  
THEM WILL  
SOUND LIKE MICKEY MOUND  
OR SOMETHING  
BUT THE TRACKS ON THE  
BOTH SOUND FINE - JUST  
BEING A DATA CD  
I COULDN'T GET NORMAL QUALITY  
BECAUSE WE COULDN'T  
GATHER WHO'S  
OF MINE AND ONLY  
SAME THING -  
THE TRACKS  
ARE TOO BUSY!  
I'D RE-MASTER  
THE TRACKS  
AGAIN, MORE  
JUST

Here's our strange offering  
RECORDED IN THE DEAUVILLE HOTEL  
MIAMI BEACH - DEC 9th 2005

Hi Jimmy -  
Thanks for letting me in on  
the project.  
Enclosed are two versions of  
Junkie Ship. After listening to the  
original I figured I could take  
big liberties.  
Version 1 is a Doc Watson / Z  
approach filtered through my  
musical limitations.  
Version 2 - is a Velvet / Led  
Zep boys approach.  
I'm not partial to either one so  
take your pick.  
Hope you like them.  
Thanks  
Mark Cohen
